CLASS :

III

Summer Break Duration 25th May, 2026 to 30th June, 2026. School reopens on 1st July, 2026 .

Summer Vacation is the perfect time for children to relax, refresh, and explore their hidden talents. It is a golden opportunity to channelize their energy in a positive and creative way through learning, reading, outdoor activities, hobbies, and family bonding. Meaningful activities during the holidays help children become more confident, responsible, independent, and imaginative. With proper guidance and encouragement, vacations can become a joyful journey of learning, creativity, and personal growth.

Guidelines for Parents:-

- Encourage your child to follow a balanced daily routine with proper study, play, and rest time.
- Spend quality “Family Time” together and create joyful memories through conversations, games, and activities.
- Motivate your child to read books, newspapers, and stories regularly to improve vocabulary, imagination, and communication skills.
- Limit screen time and inspire children to engage in outdoor games, creative activities, and hobbies.
- Appreciate your child’s efforts in art, craft, projects, and other innovative tasks to build confidence and creativity.
- Guide your child to complete holiday homework neatly, sincerely, and independently.
- Encourage good handwriting, cleanliness, and proper presentation in all written work.
- Teach children the importance of discipline, kindness, responsibility, and helping in daily household chores.
- Help your child develop self-confidence by allowing them to express their thoughts and ideas freely.
- Ensure that all worksheets, assignments, and project work are completed and submitted on time.

Let this vacation be filled with learning, laughter, creativity, and togetherness. With your cooperation, we can make these holidays a beautiful journey of growth and happiness for our children.

Stay Happy • Stay Healthy • Stay Creative!
