MOBILES AND SMARTWATCHES

We would like to reiterate once again that **smart phones and smart watches are strictly prohibited in school**. As mentioned earlier, those parents who feel that it is imperative for their ward to have a phone, must arrange for a basic phone (keypad) for their ward. Kindly meet with the school authorities and submit an application. Without parental support, it is impossible for us to curb the menace of addiction to this gadget which is a major intrusion into the lives of our children and is adversely affecting their academic performance and personality development.

SCHOOL FEES

It is our humble request to all parents who have not updated their ward's fees to kindly do so at the earliest. Taking into consideration the increased expenditure, the School Management has decided to increase the school fees by 10% from Std. I to XII during the coming academic session (2024-25). I extend my gratitude to each one of you, for your cooperation in terms of paying fees and ensuring that your ward attends school regularly. Parents are advised to pay the school fees through online mode using the **Ecare Pro App**. (Can be downloaded from App store and Playstore.)

IMPORTANT

Parents are requested to check the school website, Ecare Pro App and mobile text messages regularly to get the latest updates. Messages are sent periodically. In case you are not receiving the messages kindly contact the school authorities. Kindly note that the Ecare Pro App needs to be updated periodically.

The academic session 2023-'24 has been an enriching one for all our children and we are sure that with your whole-hearted support we will be able to give our children a good learning environment and the right set of values that will hold them in good stead all through their lives.

With prayers and warm regards,

Yours sincerely,

Fr. Jose T. J., S.J.
