MOBILES, SMARTWATCHES and RESTRICTED ARTICLES

As per the directives of CBSE as well as the Directorate of Education, the students are strictly prohibited from bringing mobile phones, smart watches and other restricted articles as mentioned in the school diary and on posters displayed in the campus. We would once again like to reiterate the importance of ensuring that your ward adheres to all rules. The safety of our children is of paramount importance and without parental support it is difficult to deal with these major distractions in our children's lives.

SCHOOL FEES

All the parents who have not cleared the pending dues of their ward are requested to do so at the earliest. Owing to the increased expenditure and rising costs, the school management has decided to increase the school fees and annual charges for the academic session 2025-26. We are trying to provide our children with the state-of-the-art infrastructure to ensure that they receive the highest quality of education in our school. Hence, the increase in the fees is imperative.

From the new academic session (2025-26) onwards parents will be provided with the option of paying school fee on a monthly, quarterly or on annual basis. However, according to the option chosen, late fee will be charged starting from 11th day of the month. We urge all parents to pay the school fees on time.

SAFETY POLICY

As per the Safety Policy, all the parents who send their wards by private vans, cars and buses must ensure that updated police verification certificates of all drivers, guards and lady attendants in the vehicles are procured by them and further they are once again advised that the private vans, cars, buses, etc. should also have a lady attendant in the vehicle. A google form will be shared in the upcoming academic session (2025-26) requiring all updated information regarding drivers, guards and vehicles. Kindly ensure that it is filled correctly. As per the school Safety Policy, it is also mandatory that your ward wears the school Identity Card and carries the school diary to school daily. The safety of our children is of utmost importance and the whole-hearted support of parents to ensure this, is mandatory.

IMPORTANT

Parents are requested to check the school website, Ecare Pro App and Ecare text messages to get latest updates. Messages are sent periodically, and when your ward is absent from school. In case you are not receiving messages kindly contact the school authorities.

We hope and pray that the academic session 2025-26 will be filled with optimism, where our children grow into competent, compassionate and confident youngsters.

With prayers and warm regards,

Yours sincerely,

Fr. Jose T. J., S.J.
