

ST. XAVIER'S SENIOR SECONDARY SCHOOL, DELHI – 110 054
(www.stxaviersdelhi.com)

April 1, 2026

Dear Parents/Guardians,

By the grace of God we have successfully completed the session 2025-26. The new session 2026-27 awaits us with its own set of opportunities and challenges. The results of the academic session 2025-26 have been declared and our children are raring to go with renewed energy and vigor. I would like to apprise you all about some changes we will be introducing in the new academic session 2026-27.

Changes in School Timing

From April 6 2026, the morning school timing for all children - Prep, Junior as well Senior School will be 7.40 am. Assembly will commence at 7.45 am in all the three departments of the school.

Balvatika will get over at 12.15 pm.

The Prep School will get over at 1.20 pm.

The Junior School will get over at 1.30 pm.

The Senior School will get over at 1.40 pm.

Buses will leave the campus at 1.50 pm.

Changes in uniform

From 6 April 2026 onwards the students of the Junior School will be wearing trousers.

The Junior school children will have House T-shirts and track pants which will be worn on Wednesdays and Saturdays.

Introduction of Robotics, AI and Innovation Labs

We are proud to introduce Robotics/AI as a Skill Subject in all classes from grades KG to VIII in the upcoming academic session. Robotics, AI and Innovation labs are under construction. The work is in progress and the labs will be ready for our children to use in the upcoming session. We are hopeful of the labs becoming thriving centers of ingenuity and creativity, where young minds will find fertile ground to flourish and blossom.

Language Labs and E Library

We are also renovating and refurbishing our language labs with updated hardware and software. This will equip our children with every opportunity to hone their language skills and become confident and eloquent speakers of the English language. The Senior and Junior libraries are also now revamped with space to accommodate E-Library where students will have access to International journals and a repertoire of engaging books.

Scouts and Guides ; Cubs and Bulbuls

In addition to NCC, which was initiated in 2017, from the academic session 2026-27 we will be enrolling our children in the Bharat Scouts and Guides, Cubs and Bulbuls program. This is for the boys and girls of Std. VIII and III (2026-27 session). Details regarding the eligibility and other related information has been shared at the orientation program for parents.

We look forward to providing our children every opportunity to prepare them for the future. These up-gradations are sure to keep our children abreast with the latest advancements in technology and Artificial Intelligence. Together we can take our institution to great heights where our children are groomed to become modern, techno-savvy, well-informed, competent and sensitive citizens of our nation.

With prayers and warm regards,

Yours sincerely,

Fr. Sobin Kayathinkara Thomas S.J.
Principal
