Important reminder for parents/guardians

It has come to our notice that many of our students are coming to school on two-wheelers on their own and parking the vehicles outside the school gate. We would like to inform you that this practice is neither safe nor legal. It is likely that the traffic police while patrolling might tow away such vehicles. Kindly ensure that your ward reaches school safely and on time.

It has also been observed that some students are still bringing mobile phones to school inspite of several reminders and warnings. The CBSE and the Directorate of Education has sent directives to the schools to strictly forbid mobile phone usage by students. Kindly ensure that your ward complies with these directives.

We pray that the blessings of the Almighty continue to flow abundantly on our school and our children as we move ahead in our educational endeavours to mould our children into competent, compassionate and confident youngsters.

With prayers and warm regards,

Yours sincerely,

Fr. Jose T. J., SJ
Principal
