Chapter 5a: The Secrets of Food

Mathematics

Periodic Test 1

1. Chapter 1: We are Travellers---I

Numbers up to ten crores, Indian place value system, face value – place value, number name and numeral, expanded form, standard (short) form, successor-predecessor, comparing numbers, ascending order-descending order, forming numbers, rounding off to the nearest 10, 100, and 1000.

2. Roman Numerals: (1-1000)

3. Chapter 4: We are Travellers-----II

Addition and Subtraction: Properties of addition, addition sums, properties of subtraction, subtraction sums (without word problems)

Periodic Test 2

1. Chapter 4: We are Travellers-----II

Addition and Subtraction: Properties of addition, addition sums, properties of subtraction, subtraction sums with word problems.

2. Chapter 6: The Dairy Farm

Multiplication: Properties of multiplication, multiplying a number by 10, 100, 1000, multiplication sums, word problems

3. Chapter 9: Coconut Farm

Division: Properties of division, division by 10,100,1000, division sums, word problems

4. Chapter 13 Animal Jumps

Factors and multiples: Factors and its properties, Finding factors, Test of divisibility by (2,3,4,5,6,8,9 and 10), Prime and composite numbers, Prime factorization (using the factor tree method and division method).

Mid-Term Exam

1. Chapter 1: We are Travellers---I

Numbers up to ten crores, Indian place value system, face value – place value, number name and numeral, expanded form, standard (short) form, successor-predecessor, comparing numbers, ascending order-descending order, forming numbers, rounding off to the nearest 10, 100, and 1000.

2. Roman Numerals: (1-1000)

3. Chapter 4: We are Travellers-----II

Addition and Subtraction: Properties of addition, addition sums, properties of subtraction, subtraction sums with word problems.

4. Chapter 6: The Dairy Farm

Multiplication: Properties of multiplication, multiplying a number by 10, 100, 1000, multiplication sums, word problems

5. Chapter 9: Coconut Farm

Division: Properties of division, division by 10,100,1000, division sums, word problems

6. Chapter 13 Animal Jumps

Factors and multiples: Factors and its properties, Test of divisibility by (2,3,4,5,6,8,9 and 10), Prime and composite numbers, Prime factorization (using the factor tree method and division method), HCF by listing the common factors and by the prime factorization method, Multiples and its properties, LCM by writing multiples and by the common division method

7. Chapter 2 Fractions

Fractions: Types of fractions, converting a fraction to its lowest terms, comparing and ordering fractions, and adding and subtracting like and unlike fractions.

SOCIAL SCIENCE-

Periodic Test -1

Lesson 1 – Mapping the World

Lesson 5 – Weather and Climate

Map work-

L- 1 Pg no.-7 To be done on a World physical map.

Periodic Test -2

Lesson 2 – Latitudes and Longitudes

Lesson 20 – Government in India

Diagram-

L-2 Pg no.-14 Important Lines of Latitude

Mid Term

Lesson 6 – Congo: The Land of Dense Forests

Lesson 7–Greenland: The Land of Ice and Snow

Lesson 10 – Environmental Pollution

Lesson 17- Gems of India

Lesson 1 – Mapping the World

Lesson 5 – Weather and Climate

Lesson 2 – Latitudes and Longitudes

Lesson 20 – Government in India

Map work-For Mid Term Exam

L- 1 Pg no.-7 To be done on a World physical map.

L-6 Pg no.-34 To be done on a World physical map.

Diagram-

L-2 Pg no.-14 Important Lines of Latitude

Important Note:

Revise the lesson thoroughly. Questions can come from in between the chapters.

Computer

Term I

Chapter 1: Windows 10 – Advanced Features

- File Explorer
- Color Settings in Windows 10
- Disk Cleanup
- Components of File Explorer
- Setting a Theme
- Viewing Files and Folders
- Control Panel

Chapter 2: Formatting in Impress

- Using Templates
- Inserting Shapes
- Modifying Background
- Fontwork Gallery
- Working with Image

Chapter 3: Animation and Transition in Impress

- Inserting Audio and Video Files
- Animation
- Hyperlinks
- Slide Transition

Chapter 4: Introduction to LibreOffice Calc

- LibreOffice Calc
- Components of LibreOffice Calc Window
- Entering Data in Spreadsheet
- Opening an Existing Spreadsheet
- Features of LibreOffice Calc
- Working with Spreadsheet
- Closing the LibreOffice Calc
- Starting LibreOffice Calc
- Creating a New Workbook

- Saving a Spreadsheet

Note: Chapter 1 and Chapter 4 - for Theory Test .

Chapter 2 and Chapter 3 -For Practical.

GENERAL KNOWLEDGE

Test 1 (May) :

Chapter : 2 (15 only), 3,4,6,8,9,10 & Current Affairs

Test 2 (August) :

Chapter : 11,12,13,14,15,16,17 & Current Affairs
