THE MAKING OF PRECOCIOUS LEADERS: INVESTITURE CEREMONY

The Investiture Ceremony marked a moment of pride as our young leaders were formally entrusted with responsibilities for the academic year. The occasion celebrated the selection of precocious council members who have consistently demonstrated leadership.

The newly elected Head Boy, Pravaan Awasthi; Head Girl, Samridhi Sharma; Vice Head Boy, Riyansh Murarka; and Vice Head Girl, Divija Agnihotri took an oath to lead by example and uphold the values of the school. As the badges were conferred, the atmosphere resonated with enthusiasm and promise.

VOICES UNITED : AN INTER-SCHOOL ORATORY EXTRAVAGANZA

The Inter-School Oratory Competition was a vibrant confluence of schools, ideas, and precocious young voices, united in the true spirit of collaboration. With thoughtfully curated themes across levels—Tiny Travellers, Little Historians, and Star Parade—the event celebrated expression, confidence, and diversity of thought.

More than a competition, it stood as a testament to collective learning, unity, and the power of young minds when nurtured together.

MAGIC WITH A MISSION : THE WINTER WONDERLAND GALA

The Winter Wonderland Gala shimmered as a celebration of creativity, confidence, and compassion, where the little Sheilingites curated their own Entrepreneurs' Bazaar. The children innovatively designed products, applied basic marketing strategies, and interacted with parents with commendable poise.

It was not merely about games, but about purposeful learning—as young learners demonstrated articulate vocabulary, polished dining etiquette, and growing general awareness. Most important, the proceeds were donated to an NGO to instill empathy, compassion, and social responsibility, nurturing hearts as thoughtfully as young minds.

ANNUAL CONCERT : CHAPTERS THAT CHANGED THE STAGE

The Annual Concert, "The Enchanted Book," transformed the stage into a realm of wonder and values. Each performance unfolded like a cherished chapter—Integrity, Friendship, Kindness, Dreams, and Gratitude—brought alive through expressive dance, drama, and music.

With remarkable confidence and commanding stage presence, the young performers captivated the audience, turning every moment into a celebration of imagination, courage, and character. It was not merely a concert, but an inspiring journey where stories spoke, values shone, and children truly owned the stage.

EXCURSION: WHERE PLAY SPARKED CONNECTION

The excursion to The Flying Elephant was a delightful experience that offered children the perfect balance of play and connection. As they explored the vibrant play zones, children laughed, interacted, and engaged in joyful activities alongside their peers.

Beyond fun, the outing played a significant role in nurturing social skills, teamwork, confidence, and emotional bonding. It encouraged children to communicate, share, take turns, and build friendships in a relaxed environment, helping them grow not just as learners but as happy, confident individuals.

NATURE'S CLASSROOM: SEED TO HARVEST

With tiny hands and inquisitive minds, the children joyfully sowed radish seeds into the soil, gently tucking them in and nourishing them with water and care. This enriching, hands-on experience helped them grasp the vital role of soil, water, sunlight, and—most importantly—patience in the miraculous journey of plant growth.

The excitement reached its peak during the harvest, when the children proudly pulled out the radish — a delightful moment of awe and accomplishment as they witnessed the tangible reward of their efforts.

Toddlers

MOMENTS OF WONDER : MY LITTLE ME

Our little ones enjoyed the “My Little Me” activity where photographs of each child were hung on cardboard cut-outs. The children happily recognized their own faces and then painted the body, expressing themselves with bright colours. This fun-filled activity helped build self-awareness, confidence, and creativity while strengthening fine motor skills.

ECHOES OF FREEDOM : INDEPENDENCE DAY CELEBRATION

The little patriots celebrated Independence Day with great zeal and patriotic fervour. Attired as iconic freedom fighters, the children radiated pride and enthusiasm. Through meaningful participation, they imbibed respect for their nation, gained an early understanding of our freedom heroes, and nurtured a sense of pride in being Indians.

TRACKS OF TEXTURE : SENSORY EXPLORATION

The Texture Train sensory exploration was a joyful journey of touch and discovery. As little hands explored rough, smooth, soft, and bumpy surfaces, curiosity came alive and senses were awakened. This immersive experience strengthened fine motor skills, enriched vocabulary, and nurtured focus—transforming learning into an exciting adventure of exploration and wonder.

ALPHABET EXPLORERS: COGNITIVE DEVELOPMENT

With sparkling curiosity and keen eyes, the children set out to uncover hidden letters and connect them with the world around them. The activity encouraged children to identify hidden letters and thoughtfully match them with corresponding objects. Through this playful exploration, the young learners strengthened letter recognition, enhanced cognitive skills, and built early language connections, making learning both meaningful and enjoyable.

Playgroup

THE LITTLE POTTERS : CRAFTING AND CARING

Hands on creativity came alive as our little potters tried their skill on the potter's wheel, shaping clay into beautiful creations. From molding pots to planting tiny saplings, children experienced the full cycle of creation and nurture. This immersive activity not only honed fine motor skills and creativity but also instilled a sense of responsibility and care for nature - turning art into a meaningful lesson in growth and sustainability.

KINESTHETIC EXPLORATION STATION : LEARNING IN MOTION

At the Kinesthetic Exploration Station, young minds engaged their bodies and senses to explore, experiment and discover. Through hands-on activities, movement-based challenges, and interactive tasks, children honed motor skills, coordination, creativity, and problem-solving abilities. This dynamic experience transformed learning into an immersive, energetic adventure, proving that exploration through motion can spark curiosity and deepen understanding in the most enjoyable way.

HEALTHY HABITS : GROWING STRONG AND SMART

Our young explorers immersed themselves in the world of salubrious habits, discovering the importance of nutritious food, exercise and hygiene. Through interactive activities and demonstrations, children learned to make mindful choices while developing discipline, awareness, and self-care skills. This engaging session nurtured both body and mind, turning wellness into a fun and memorable journey.

COMMUNITY HEROES IN ACTION : ROLE PLAY

Our little participants stepped into the shoes of community heroes, bringing to life the roles of doctors, firefighters, police officers, sanitation workers, and more. Through imaginative role play, children explored the importance of service, responsibility, and empathy, understanding how everyday heroes keep our communities safe and thriving. The activity nurtured confidence, awareness, and teamwork, fostering learning that is engaging and fulfilling.

LOVE THAT NEVER FADES : MOTHER'S DAY CELEBRATION

Joy and warmth filled the air as our children celebrated Mother's Day, sharing love through enchanting songs, expressive poems, and beautifully handcrafted tokens. Mothers felt profoundly happy and cherished, treasuring every heartfelt moment with their little ones. The celebration paid tribute to the infinite love, nurturing care, and guiding wisdom of mothers, fostering gratitude, empathy, and meaningful bonds that will be treasured forever.

Nursery

Jungle Safari: Walking through a wild labyrinth

Our curious explorers embarked on an exciting Jungle Safari through a carefully crafted, make-believe jungle. As they navigated the leafy labyrinth, every turn sparked wonder and imagination. Proving that even an imagined jungle can offer unforgettable joy.

TechnoSpark: Bridging now and then

Innovation came alive during TechnoSpark as children donned costumes as different gadgets, creatively showcasing the evolution of technology. By comparing vintage and modern innovations, they deepened their understanding while articulating ideas with confidence, sharpening both knowledge and oratory skills.

Road Code: Guiding young minds towards responsibility.

Orbit Odyssey: Voyaging beyond the known

Steered by curious explorers, the dome-shaped planetarium opened into a spellbinding virtual world. Immersive visuals unfolded all around, allowing imagination to soar through celestial wonders.

Nature Scavenger Hunt: Learning beyond four walls

Our young explorers ventured into the garden to uncover nature's quiet wonders. With curious eyes, they discovered foliage, flowers, and twigs thoughtfully arranging their findings on paper. This hand-on experience nurtured observation, creativity, and a growing appreciation for the beauty of the natural world.

Our little citizens participated in the road code activity, where through role play and visual cues, children learned the importance of traffic lights, road signs, and safe behavior on the road. This meaningful activity nurtured awareness, responsibility, and early civic sense.

Little Vendors: Kindling Entrepreneurial Spirit

The school transformed into a bustling marketplace as our young participants became little vendors, selling vegetables, fruits, and dairy products with enthusiasm and responsibility. Through this hands-on activity, children explored the fundamentals of commerce, communication, and customer interaction, while enhancing their confidence, persuasive skills, and teamwork.

Whimsical Wonders: Breathing life into Tales

Imagination took flight during Whimsical Wonders, where young narrators brought enchanting stories to life with expressive voices, gestures, and creativity. The activity nurtured oratory skills, confidence, and storytelling flair, transforming simple narratives into memorable journeys of imagination and expression.

Shellingites Quizzards: Minds in Action

The atmosphere buzzed with excitement as our young Shellingites put their vocabulary, awareness of surroundings, listening skills, spelling prowess, and much more to the test. The event fostered confidence, collaboration, and a love for learning, turning knowledge into an engaging and holistic adventure.

Math-a-thon - Fueling Young Minds

The energy was electric as our young minds dove into the world of numbers. From lightning-fast mental math to tackling complex problem-solving challenges, our young mathematicians showcased incredible speed and accuracy. The event nurtured analytical skills, logical reasoning and healthy competition turning mathematics into an exciting adventure of discovery and intellectual growth.

Sprint in Spirit : Racing with enthusiasm

The air was charged with energy as our young athletes ran with joy and determination. Every stride reflected sportsmanship, perseverance and a love for physical activity, celebrating not just speed but spirit and camaraderie.

Graduation Day: Celebrating New Beginnings

Hearts brimmed with pride and joy as our young learners walked the stage on Graduation Day, marking the culmination of their journey filled with growth, learning, and discovery. With gleaming smiles and shining eyes, children celebrated their achievements and gracefully segued into the next chapter of their educational journey.
