

APOSTOLIC NUNCIATURE
IN INDIA

New Delhi, 4 February 2023

N. 4166/23/IN

Dear friends in Christ,

As it has been communicated with the Circular Letter, Prot. N. 5858/13, of 11 November 2013, in order to respond to the numerous requests for Messages that the Apostolic Nuncio receives from the various Lay Associations or single persons, this Apostolic Nunciature has deemed opportune to establish some requirements for obtaining such messages:

1. The request should reach the Apostolic Nunciature, at least 2 months before the deadline by which the message has to be ready. Requests received less than two months in advance will not be taken into consideration.
2. It should be accompanied by a Recommendation Letter from the Parish Priest, and endorsement from the Diocesan Bishop.
3. H.E. Msgr. Leopoldo Girelli as a Representative of Pope Francis in India, will issue either a Papal Blessing or his message according to the particular occasion.

The Apostolic Nunciature avails itself of this occasion to renew to you the assurances of its highest consideration.
