N. 4166/23/IN

Reverend Father, Sister, Brother,

As it has been communicated with the Circular Letter, Prot. N. 5858/13, of 11 November 2013, in order to respond to the numerous requests for Messages that the Apostolic Nuncio receives from the various Institutes of Consecrated Life or Societies of Apostolic Life or Secular Institutes in India, this Apostolic Nunciature has deemed opportune to remind some requirements for obtaining such messages:

1. The request should reach the Apostolic Nunciature, at least 2 months before the deadline by which the message has to be ready. Requests received less than two months in advance will not be taken into consideration.
2. It should be accompanied by a Letter of Recommendation from the Provincial Superior, or in case of Secular Institutes, from the Diocesan Bishop.
3. H.E. Msgr. Leopoldo Girelli as a Representative of Pope Francis in India, will issue either a Papal Blessing or his message according to the particular occasion.

The Apostolic Nunciature avails itself of this occasion to renew to you the assurances of its highest consideration.
