

FIRST VISIT TO DHARAN, NEPAL

16-18 DECEMBER, 2025

The first visit to Loreto Dharan by Sr. Monica Suchiang, Provincial, and Sr. Biviyana Lepcha was marked by warm hospitality, deep listening, and hopeful encounters. From time spent with the sisters, hostel children, and staff to visits to tuition centres, the Balbikash (Montessori), skill-training units, and women's Self-Help Groups, the mission reflects Loreto's deep commitment to education, dignity, and empowerment.

Alongside gratitude for the dedication of the sisters and staff, the visit focused on discerning future mission direction—strengthening systems, renewing existing projects, and exploring sustainable pathways to ensure long-term impact. Enriched by fellowship with our CJ sisters in the Sirsia and Biratnagar communities, the visit opened pathways for renewed vision, collaboration, and a sustainable future for Loreto Dharan.
