Vacations are the most appropriate time for kids to refresh and rejuvenate themselves, to be creative, to learn new skills and perform more enthusiastically.

Children have ample energy which should be channelized in the right direction to get the best out of them. We have designed holiday homework, keeping this in mind. It will build their confidence and new skills.

### **Guidelines for Parents-**

1. Holiday's homework should be done by the child, under parental guidance.
2. The child should have a fixed time daily, for doing the assignments.
3. Nurture your child's interest – be it art, music, dance or anything else.
4. Let him/her pursue a hobby of his /her own choice.
5. Please train your child to become independent in his daily chores.

### **Involve child at home in the following tasks –**

1. Involve your child to keep the house clean.
2. Help your mother to set and clear the dining table.
